

Orthopedic Physical Therapy & The Body Shoppe Fitness

Injury at Work

If an employee is injured on the job and files an incident report, they will be evaluated/triaged by OPT physical therapy and course of treatment will be determined.

1. No interaction
2. Physical therapy
3. Emergency room
4. Occupational Health and Rehab

If physical therapy is the recommended course of action, OPT will provide care for the first 6 visits at no charge to the employee, at the end of those 6 visits the case will be reevaluated and redirected.
